Alumnae Are...

KP Alumnae are those with whom we share the lows and celebrate the highs in life....together!

KP Alumnae are those rare individuals in life who love us deeply....see our greatest potentials....cheer us on....correct us when

needed....teach us selflessly about life...become our lifelong friends....encourage us on our spiritual journey....pray for us daily....laugh with us regularly....at whose funerals we weep unashamedly....with no regard whatsoever for the clock.
